CBOM intends to accept for purchase validly tendered Notes up to the Maximum Invitation Amount across both Series of Notes combined. CBOM will determine the allocation of funds between the 2021 Notes and the 2023 Notes in its sole and absolute discretion. Additionally, CBOM reserves the right, in its sole and absolute discretion, not to accept any Offers, not to purchase Notes of either Series or to modify in any manner any of the

terms and conditions of the Invitation (including, but not limited to, purchasing more or less than the Maximum Invitation Amount, subject to applicable law).

Rationale for the Invitation

CBOM is seeking to repurchase up to U.S.\$150,000,000 in aggregate principal amount of the Notes in order to provide a degree of liquidity to Noteholders.

Immediately after the Settlement Date, CBOM intends to sell the Notes purchased pursuant to the Invitation to CBM. CBM intends to hold the Notes for its own account and may sell them in the future. CBM does not currently intend to transfer the Notes to CBOM for cancellation, but may do so in the future.

Purchase Price and Accrued Interest

If a Noteholder submits a valid Offer or Offers pursuant to the Invitation, and CBOM accepts such Noteholder's Offer (or Offers), CBOM will, subject to the conditions described in the Invitation for Offers, pay the respective Noteholder, in exchange for each U.S.\$1,000 principal amount of 2021 Notes or U.S.\$1,000 principal amount of 2023 Notes, as applicable, accepted for purchase from this Noteholder (subject to the applicable Minimum Denomination):

- the Purchase Price (as defined in the Invitation for Offers); and
- an amount in cash in U.S. dollars equal to the Accrued Interest (as defined in the Invitation for Offers).

Modified Dutch Auction Procedure

The Invitation in respect of the Notes is being conducted pursuant to the modified Dutch auction procedure described in the Invitation for Offers. Noteholders may make their Offers in the form of a Competitive Offers or Non-Competitive Offers.

Competitive Offers

A Noteholder may submit one or more Competitive Offers in respect of the relevant Invitation prior to the Expiration Time, provided that the aggregate principal amount of the Notes of the relevant Series that are the subject of these Offers does not exceed the aggregate principal amount of Notes of the relevant Series held by such Noteholder. Competitive Offers must specify:

- the price per U.S.\$1,000 principal amount (in increments of U.S.\$1.25 above the Minimum Purchase Price with any other amount rounded down to the nearest U.S.\$1.25 increment above the Minimum Purchase Price) (a "**Competitive Offer**") that a Noteholder would be willing to accept as the Purchase Price in respect of the Series of Notes that are the subject of the particular Offer (the "**Offer Price**") and such Offer Price shall be equal to or higher than the Minimum Purchase Price as set out above; and
- the principal amount of Notes, in increments of U.S.\$1,000 (subject to the applicable Minimum Denomination) that a Noteholder is tendering at that Offer Price.

If CBOM accepts a Noteholder's Competitive Offer (or Competitive Offers), such Noteholder will receive the Purchase Price for the relevant Series of Notes as determined by CBOM in its sole and absolute discretion. CBOM will pay the Purchase Price for the relevant Series of Notes to each holder whose Competitive Offer is accepted, even if the Purchase Price is higher than the price specified by the tendering holder of the Notes. In the event of Competitive Offers at the Purchase Price resulting in more Notes of either Series being offered than the aggregate principal amount of Notes of the relevant Series that the Issuer has elected to purchase (the "**Series Acceptance Amount**"), such Competitive Offers will be accepted on a *pro rata* basis.

Non-Competitive Offers

Alternatively, prior to the Expiration Time, a Noteholder may submit a Non-Competitive Offer in respect of the relevant Invitation that does not specify an Offer Price (a "**Non-Competitive Offer**") in respect of the

Notes of the relevant Series that are the subject of such Noteholder's Offer. Non-Competitive Offers must specify the principal amount of Notes, in increments of U.S.\$1,000 (subject to the applicable Minimum Denomination) that a Noteholder is offering pursuant to their Non-Competitive Offer.

CBOM will be obliged to accept all Non-Competitive Offers for the Notes if it accepts any Competitive Offers for the Notes. If CBOM accepts a Noteholder's Non-Competitive Offer, such Noteholder will receive the benefit of the Purchase Price of the relevant Notes as determined by CBOM in its sole and absolute discretion. In the event of Non-Competitive Offers resulting in more Notes of either Series being offered than the Series Acceptance Amount, such Non-Competitive Offers will be accepted on a *pro rata* basis.

Determination and Announcement of Purchase Price and Pro-ration Factors

Following the Expiration Time, CBOM will determine, in its sole and absolute discretion, the Purchase Price of each Series of Notes and the pro-ration factor, if any, for each Series of Notes that CBOM decides to purchase pursuant to the Invitation, subject to the conditions described in the Invitation for Offers.

In the event of any dispute or controversy regarding the Purchase Price or the amount of Accrued Interest for each Note tendered pursuant to the Invitation, CBOM's determination shall be conclusive and binding, absent manifest error.

CBOM will announce the Purchase Price and the pro-ration factor, if any, for each Series of Notes and the aggregate principal amount of each Series of Notes to be purchased, at or around 10:00 a.m., London time, on the Price Announcement Date or as soon as practicable thereafter. CBOM will also announce the aggregate amount of each Series of Notes that are outstanding following the completion of the Invitation.

Acceptance of Tendered Notes

Once CBOM has determined the Purchase Price for each Series of Notes, CBOM will accept Offers in the following order:

- all duly submitted Non-Competitive Offers for Notes of the relevant Series will be accepted first, subject to possible pro-ration in the event that such Offers have been made in a greater principal amount than the amount which CBOM wishes to purchase in respect of a particular Series;
- all duly submitted Competitive Offers for Notes of the relevant Series that specify Offer Prices lower than the applicable Purchase Price will be accepted second; and
- all duly submitted Competitive Offers for Notes of the relevant Series that specify Offer Prices equal to the applicable Purchase Price will be accepted third, subject to possible pro-ration in the event that such Competitive Offers, when aggregated with all Offers referred to above and accepted, results in a greater principal amount than the amount which CBOM wishes to purchase in respect of a particular Series.

Such *pro rata* allocations will be calculated in relation to each Series of Notes as further detailed in the Invitation for Offers.

Notes offered pursuant to Offers at an Offer Price higher than the Purchase Price of the relevant Series of Notes or below the Minimum Purchase Price of the relevant Series of Notes, will not be accepted pursuant to the Invitation. CBOM may elect not to purchase any Notes or not to purchase any Notes of one or more Series of Notes.

Once CBOM has announced in accordance with applicable law the acceptance of Offers in accordance with the terms of the Invitation, CBOM's acceptance will be irrevocable. Offers so accepted, will constitute binding obligations of the submitting holders and CBOM to settle the Invitation, in the manner described in the Invitation for Offers.

Conditions to the Invitation

The completion of the Invitation is subject to, among other things, the conditions to the Invitation. See "*Conditions to the Invitation*" in the Invitation for Offers for more information.

Notes that are not successfully tendered for purchase pursuant to the Invitation and the terms and conditions set out in the Invitation for Offers will remain outstanding and will remain subject to the terms and conditions of such Notes.
