This presentation is based on the reviewed IFRS results for 1Q2015, 1Q2014 and 1Q2013 as well as audited IFRS results for FY2014 and FY2013. However, it includes certain information that is not presented in accordance with the relevant accounting principles and has not been verified by an independent auditor. CBM has taken all reasonable care to ensure that in all instances the information included in the presentation is full and correct and is taken from reliable sources. At the same time the presentation should not be seen as providing any guarantees, express or implied, to its accuracy or completeness. Furthermore, CREDIT BANK OF MOSCOW undertakes no guarantees that its future operations will be consistent with the information included in the presentation and accepts no liability whatsoever for any expenses or loss connected with the use of the presentation. Please note that due to rounding, the numbers presented may not add up precisely to the totals provided and percentages may not precisely reflect the absolute figures.

This presentation contains statements related to our future business and financial performance and future events or developments involving CREDIT BANK OF MOSCOW. Such forward-looking statements are based on the current expectations and certain assumptions of CREDIT BANK OF MOSCOW's management, and, therefore, should be evaluated with consideration taken to risks and uncertainties inherent in our business. A variety of factors, many of which are beyond CREDIT BANK OF MOSCOW's control, can materially affect the actual results in comparison to such statements.

Information contained in the presentation is valid only as at the stated date. CREDIT BANK OF MOSCOW undertakes no obligation to update or revise the information or any forward-looking statements in the presentation to reflect any changes that can happen after the given date.

This presentation is meant for information purposes only. Please note that the presentation does not constitute any officially recognized version of the financial statements. This presentation does not constitute an offering of securities or otherwise constitute an invitation or inducement to any person to underwrite, subscribe for or otherwise acquire securities of CREDIT BANK OF MOSCOW. Although reasonable care was used to prepare and maintain the electronic version of the presentation, CREDIT BANK OF MOSCOW accepts no liability for any loss or damage connected to the electronic storage or transfer of information.

Assets and loan portfolio (net) dynamics

(RUB mln)

- Corporate loans
- Retail loans
- Total assets
- Net corporate loan portfolio growth
- Net retail loan portfolio growth
- Total assets growth

Loan Portfolio is conservatively provisioned

NPL¹ and Provisioning dynamics

NPL³ and Provisioning ratio dynamics

Largest exposures

Related party lending (% of total equity)

Source: IFRS financial statements

1) NPLs are loans with payments that are overdue >90 days (figure does not include renegotiated loans)

2) Cost of risk is calculated as impairment allowance net charge (annualised) to average loan portfolio for the period

3) NPLs are calculated relative to the relevant loan product

High quality loan book conservatively provisioned

Collateral Structure

(1Q2015, Net of Impairment)

Retail NPLs and LLPs, by Product

(1Q2015, % of gross loans)

Well Balanced Funding Structure

Funding base¹

Source: IFRS financial statements
 1) Equals to liabilities
 2) Including deposits by the CBR

Debt Repayment Schedule

(RUB Bn)

Source: Company data, nominal values; FX rates as of 12.06.15
